IX Mon. November hath xxx days.

My neighbour *H---y* by his pleasing tongue,
Hath won a Girl that's rich, wise, fair and young;
The Match (he saith) is half concluded, he
Indeed is wondrous willing; but not she.
And reason good, for he has run thro' all
Almost the story of the Prodigal;
Yet swears he never with the hogs did dine;
That's true, for none would trust him with their swine
